

CELEBRATING 50 YEARS!

Dania Beach Improvement Committee

Beautifying Dania Beach Since 1964

After 50 years, making Dania Beach a better place to live and work is still a labor of love. From adding palm trees, landscaping and benches to City parks, to ridding our roads of trash, we're proud to keep the small town charm of Dania Beach shining brightly. From all of us on the Dania Beach Improvement Committee, here's to making the next 50 years as special as the last!

THEN
